

GLOBAL 2020 UPDATE

FINISHING THE TASK: BIBLES, BELIEVERS AND BODIES OF CHRIST FOR EVERYONE, EVERYWHERE

■ *"Go and make disciples of all nations."*

These were some of Jesus' last words on earth. We know this Great Commission is a call given to every follower of Jesus, not just for a chosen few. It's a call for all believers, in every church and every country, for all generations.

Jesus' command to reach the lost is as urgent today as it was for the first century Christians. Today, we're living in exciting times with unprecedented opportunities. For the first time in history, because of modern developments, it is now possible to see every nation, tribe, people, and language reached with the good news of Jesus. However, there are challenges and barriers we can only overcome by working together with a spirit of self-sacrifice.

Even today, 2000 years after the resurrection, there are still hundreds of people groups with **No Believers**, thousands of languages with **No Bible in their language**, and millions of places with **No Body of Christ**. This means that billions of people will go into eternity separated from Jesus forever—unless the global church rises up to take a firm hold of the mandate we were given 2,000 years ago.

We are living in a time in which communication, translation, and transportation can reach the most isolated and overlooked people on the earth—people who have never heard the Good News of Christ. Now is the moment to come together, collaborating and innovating for such a time as this. To this end, the Bible, Believer and Bodies of Christ initiatives are collaborative arms of the same mission, working hand-in-hand with local leaders and their communities to catalyze transformation through the Gospel message.

FINISHING THE TASK UNTIL CHRIST'S RETURN: TOWARDS THE COMPLETION OF THE GREAT COMMISSION

■ *Finishing The Task unites and mobilizes the global body of Christ to courageously take up the mantle of catalyzing, multiplying and supporting church planting movements in every unreached people group and place, until everyone, everywhere has access to a Bible, believers and a Body of Christ.*

THE PRIORITY OF PRAYER IN FINISHING THE TASK

"Look to the Lord and his strength; seek his face always."

1 Chronicles 16:11

Prayer is the foundation of all that we do as we seek God's wisdom in order to carry out His plans. Finishing The Task is committed to fostering unity in prayer, focusing specifically on Christian organizations partnering with the Church in obedience to the Great Commandment and towards the completion of the Great Commission. To this end, FTT will be establishing a prayer initiative that unites our partners in prayer for the Great Commission.

BIBLE: COMPREHENSIVE BIBLE TRANSLATION IN THE LANGUAGES OF UNENGAGED, UNREACHED PEOPLE GROUPS

Worldwide, less than 2% of all Deaf know Jesus, making them the largest unreached people group in the world.

In order to make the Bible accessible to every person on earth, Finishing The Task is committed to speeding up the work of Bible translation. While this has traditionally meant the work of translating the full Bible into the written languages of the Unengaged, Unreached People Groups (UUPGs), this work now also includes making the entire Bible accessible to oral communicators and to the community of the Deaf People Groups—those who access the Bible in their “heart language” of signing.

Worldwide, less than 2% of all Deaf peoples know Jesus, making the Deaf community the largest unreached people group in the world. In December 2019, the FTT Deaf Coalition was established to raise awareness about the Deaf community and their unique Bible needs. With the establishment of the Deaf Coalition in addition to FTT’s continued focus on the broader oral culture groups, FTT is committed to developing a focused strategy to make the full Bible available to these people groups as part of the goal to provide a Bible for everyone, everywhere.

BELIEVERS AND BODY OF CHRIST: PARTNERING WITH CHURCH PLANTING MOVEMENTS

Finishing The Task has been in collaborative conversation with Church Planting Movement leaders to envision together the next strategic finishing line of the Great Commission. A Church Planting Movement (CPM) is defined as the multiplication of disciples making disciples and leaders developing leaders, which results in indigenous churches planting churches. These churches then spread quickly through a people group or population segment and the new disciples and churches begin to transform their communities as the new body of Christ lives out Kingdom values. When churches reproduce consistently to four generations in multiple streams, this is defined as a sustaining movement.

WHAT GOD IS DOING THROUGH HIS BODY AROUND THE WORLD

**These movements exist across every continent and worldview, in both rural and urban areas.*

- **4,589** reports of active teams trained in CPM and seeking to start movements which includes:
 - **1,606** CPM efforts awaiting fruit
 - **1,322** efforts of which many are yielding 2nd and 3rd generation churches
 - **1,376** Church Planting Movements
- **76.9 MILLION** believers in all CPM engagements
- **4.8 MILLION** known churches in all CPM engagements
- **56K** believers per CPM (average)
- **16** average believers per church, per CPM (average)

While not part of the formal definition of “movement,” most of these church planting movements have at least 100 churches with 1500+ baptized disciples within 4–5 years of the initial church plant.

AS THE WORLD GETS DARKER, THE CHURCH SHINES BRIGHTER

The work of reaching the unreached has not stopped in the midst of the challenges brought by COVID-19. In fact, in some areas, it has presented an opportunity to reach out and meet felt needs in a way that opens the door to the Gospel.

For example, Kumar, working with e3 Partners, reports remarkable outreach during the COVID-19 lockdown in India. He and his team have fed over 74,000 men, women and children in 3200 villages and 5 large cities. They have seen 18,790 people profess faith in Christ and have started several new house churches during the pandemic.

In addition, after searching for two years for a Mathukaran UUPG (the cow people), they found them during their feeding campaign. They fed and shared the gospel with approximately 250 Mathukaran people and 64 responded positively to the Gospel. We are praising God as these are the first ever known believers among the Mathukaran people!

UPCOMING EVENTS

OCTOBER 13–15, 2020

THE 2020 GLOBAL ASSEMBLY OF PASTORS FOR FINISHING- THE-TASK (GAP4FTT) INCHEON, SOUTH KOREA

The GAP4FTT Conference is being organized by the GAP4FTT Korea Steering Team. FTT, along with our CPM partners, has come alongside GAP leaders to provide logistical support for the International Track, in addition to training towards understanding and equipping towards engagement.

The GAP4FTT Conference in South Korea will have three parts:

Onsite Conference at Incheon, South Korea

The onsite conference will gather 500 local Korean Pastors (Korean-speaking Track) from Tuesday, October 13 to Thursday, October 15, 2020.

Other Conference Locations

In order to bring GAP4FTT teaching and resources to those who are affected by the current limitations of international travel, regional conference locations will also be established in select locations through the Korean missionary network. Conference hosts and facilitators will be encouraged to gather local pastors and community leaders for a focused time of training and networking.

The International Program/English Track will be made available online for global access.

Digital Online Library

The GAP4FTT Conference Resources, including all plenaries and workshops in the various languages, will be made available online.

JANUARY 2021

JANUARY 2021 FTT GLOBAL SUMMIT ONLINE GLOBAL SUMMIT

The January 2021 FTT Global Summit will be an opportunity for believers throughout the world to come together on a truly global platform to hear from Pastor Rick Warren about the urgency of reaching UUPGs with the Gospel. In addition, church planting movement leaders, practitioners and field workers will be facilitating workshops to inform, equip and inspire the global Church to get involved with the Great Commission work of getting a Bible, Believer and Body of Christ to everyone, everywhere.

Plenaries and workshops will be offered in the major languages of the world, including ASL.

FTT, FTT Partners and CPM leaders are collaborating to establish and support regional, national and local leaders in their effort to reach the unreached in their respective areas by planting churches that will result in sustaining movements leading to Gospel saturation and transformed communities.

The January 2021 FTT Global Summit will provide an opportunity for these leaders to share their stories from the field, network together and further strategize for the work ahead.

The January 2021 FTT Global Summit is a call for all believers to unite around the Great Commandment and the Great Commission in these challenging times, mobilizing the global Church to pick up and carry the mantle of reaching the unreached.

Together, we can and we must do our part in finishing the task.

HERO OF THE FAITH

The joyful 80-year-old pictured below is Dr. Khamphone Khuntapanya, the leader of the Lao Evangelical Church—an amazing hero of our Faith. In the 1980s, Dr. K was imprisoned by the Communist government of Laos for 7 hard years—sentenced to “reeducation” because of his Christian faith. When he was released, the LEC had dwindled to just 10,000 members with churches in only 7 of Laos’

17 provinces. **It was a bleak time, but Dr. K persevered, trusting God for great things in his country.**

Today, the LEC has more than 200,000 members and churches in every province. What’s more, the denomination is at the center of the effort to take the gospel to the over 100 “unengaged” people groups of Laos—the isolated minority groups who have never once heard the Good News of Jesus Christ. Under Dr. K’s leadership, hundreds of Lao believers are being trained in evangelism and church planting through partnerships with Team Expansion, e3 Partners and the Finishing Fund. They are beginning to reach out to those in their country to whom no one has ever gone. As a result, in just the last year over 50 unengaged groups have now been exposed to the gospel, and there are now believers and house churches in most of them. God’s Spirit is on the move in Laos!

HOW GOD IS MOVING TOWARD NO PLACE LEFT IN HAITI

BY JEPHTE MARCELIN

I am one of the servants in No Place Left Haiti. Our vision to faithfully obey Jesus by making disciples who make disciples, planting churches that plant churches, and mobilizing missionaries to the nations until there's no place left. **We do this by entering empty fields, sharing the gospel with anyone who will listen, discipling those who respond, forming them into new churches and raising up leaders from within them to repeat the process. This is happening in every different location in Haiti.** As these churches gather in homes, under trees, and everywhere, we are seeing new

leaders and teams being raised up from the harvest.

A great example of this is Joshua Jorge, one of our team leaders. He is laboring for no place left in Ganthier, an area located in Southeast Haiti. Recently, he sent out two of his Timothies, Wiskensley and Renaldo, to an area called Anse-à-Pitres. Following the example of Luke 10, they went with no extra provisions and searched for a house of peace. They arrived and immediately began sharing the gospel house-to-house, asking the Lord to lead them to God-prepared

FINISHING THE TASK PARTNER TESTIMONIES

people. After a few hours, they met a man in the street named Calixte. As they shared with him about the hope found only in Jesus, he received the gospel and gave his life to Jesus.

Wiskensley and Renaldo asked Calixte where he lived and he led them to his home. They entered the house, shared Jesus with his entire family and they all chose to follow Jesus that day. These two ambassadors spent the next four days with this family, training them and taking them out into the harvest to share with their neighbors. During those four days, 73 people turned and believed in Jesus, 50 of them were baptized and they formed a new church in Calixte's home. Wiskensley and Renaldo continued to return to train a few emerging leaders in simple, biblical, reproducible tools. Within just a few weeks, this new church had already multiplied into two other churches! Praise Jesus!

My people have been physically and spiritually oppressed for generations. Haiti tells people, "You cannot follow

Jesus until your life is clean." They say, "Do not read the Bible because you will not understand it." Jesus says, "Come follow me and I will make you fishers of men." Now we are listening to Jesus. Haitians are finding freedom in the Gospel of Grace. As we follow Jesus' Kingdom strategy given to us in the Gospels and in the book of Acts, being faithful to obey all of His commands, the Lord of the harvest is doing a great work. We are truly experiencing a movement of the Spirit of God. Thousands of Haitians are accepting their identity as ambassadors for Christ and thousands of new Jesus gatherings are being formed. We are not seeking to build our own kingdom, but giving away God's Kingdom. And He is multiplying it!

We began implementing movement principles in February 2016. We are now tracking seven streams of 4th generation churches (and more) representing more than 3,000 new churches and 20,000 baptisms.

MOVEMENTS START MOVEMENTS IN SOUTH AND SOUTHEAST ASIA

BY KUMAR

In 1995 I started sharing the gospel among unreached people and planting churches. My goal was to plant 100 churches by 2020. By 2007 I had planted 11 churches. Some people would consider that success, but I was devastated because I realized that at that rate, there was no way I would reach 100 churches by 2020. For two months I cried out to the Lord: “Show me the way to plant 100 churches!” Then in mid-2007 I got invited to a training in “4 Fields Zero Budget Church Planting.” I was only able to attend for one session, but that hour changed my life and ministry. I saw that Jesus equipped his disciples to multiply in a way that required zero outside funding.

I realized I had been planting traditional churches in which new believers were passively dependent on me. I saw that I needed instead to disciple new believers to share the gospel, make disciples and form new churches. I started planting “0 budget” churches, which began reproducing.

At first, only fourteen people—unschooled oral learners—came to faith. I trained those fourteen in my house over the course of one month. Since they all had regular jobs, different people would come on different days. It was really challenging, but the Lord told me not to give up. After they were trained, they went off to plant churches.

Less than a year later, when I called them all together and did the mapping of the fruit, we had 100 churches! Using the 4 Fields (CPM model) approach, we had reached the goal of 100 churches 12 years ahead time!

I asked the Lord “Where should I go now?” He said “Don’t go anywhere. Coach churches. Train the 100 churches to plant three more churches each.” As I trained my local church leaders, they trained their people. Some churches planted five new churches. Others planted none. By the next year the

FINISHING THE TASK PARTNER TESTIMONIES

network of 100 churches had grown to 422. We trained those churches to plant three more churches each. By the following year we had 1268 churches.

Then the Lord told me: “Cast vision to other churches.” So I began to do this in other parts of the country. I told people “Come and see what the Lord is doing; see how our believers live and serve.” As people came and were trained, they multiplied to the third and fourth generation. I asked for 5000 and the Lord gave 5000. When I asked for 50,000, the Lord gave 50,000.

This movement is starting other new movements in three primary ways:

Believers with a vision for reaching their own people come to observe our work and receive ten days of training. Then

they go back to start a movement. We personally go to their countries since some cannot afford to come to our location. First we do an initial training, then I invite some of them to a second training where I do 50% of the training and they do 50%. Then for the third training, I coach them to do all the training. I then follow up with ongoing coaching of those who have implemented the training principles. Every three months, we try to call them and see how it's going. Then we go back to follow up. We keep doing follow-up in different countries on a quarterly rotation.

Finally, we cast vision to coalitions of partners for “no place left” in their regions. For follow-up training, we send master trainers (people who understand the whole model and can train others to start movements) to equip them.

We have now engaged 56 previously Unengaged UPGs. We have ministry in almost every state of our country, and the work has spread to 12 countries in South Asia and Southeast Asia. We have developed 150 master trainers in our country. I'm very encouraged by 24:14, to learn that I'm not alone; I'm on the right track. Others in 24:14 are also seeing great fruit and have a similar vision. Our network's goal fits with that of the 2414 Coalition: We want to see no place left without a gospel witness by 2025.

HOW GOD IS MOVING AMONG THE UNREACHED IN EAST AFRICA

BY AILA TASSE

Through Church Planting Movements (Disciple-Making Movements) amazing things have occurred among unreached people groups in East Africa. Since 2005, we have seen 7,571 churches planted with 185,358 new disciples. Multiple streams have started, multiplying into additional CPMs. In Rwanda, the movement is at 14 generations of new churches. Kenya's at 9 generations. God is impacting 11 countries including Tanzania, Burundi, Uganda and even Sudan despite the war.

I grew up in Northern Kenya on the edge of the desert. One day as I was praying, God gave me a vision. He showed me 14 of the 22 unreached people groups in Kenya, every one of them living in that desert.

I felt God was calling me but didn't want to accept the call. I had gone through so much persecution from my family and community that I wanted to leave the area. At that time there were no Christians among the indigenous people. The churches there all consisted of people working for the government or NGOs.

In 1998, I began fulfilling God's vision and over the next few years I started implementing CPM principles. I became serious about applying a simpler

FINISHING THE TASK PARTNER TESTIMONIES

pattern of church which was much more reproducible. Two other key factors that helped me multiply churches were the ideas of helping people discover truth (instead of someone telling it to them) and obedience as a normal pattern of discipleship. The strategy of DMM focuses on Discovery Bible Studies (DBS), where lost people are introduced to the Scripture and discover the truth for themselves and obey whatever God is

speaking to them. This strategy doesn't force them to convert but rather focuses on the Scriptures and what the Holy Spirit speaks to the person through them. The DBS leader helps them hear from God, he moves in powerful ways in them.

At this point we have engaged all of the 14 UPGs in the desert and gone beyond that. Now we're talking about 300 unreached people groups as per Joshua Project. We're working at it country by country in East Africa, praying and focusing on the least reached, the least engaged.

Jesus commanded us to make disciples (not converts) as we go, until no space remains untouched by a worldwide explosion of disciples. This won't happen by planting and growing churches one at a time. It won't happen by trying to build megachurches or by paying a few people to try to do it. We believe the only way for the Church to fulfill the Great Commission is through making disciples who can make disciples. We have seen God do in East Africa, sometimes in partnership with existing churches.

DMM SKEPTIC STARTS A STRONG MOVEMENT OF DISCIPLE MAKING

Agali gave Disciple Making Movements training to a group of pastors in 2015. From those who took the DMM training, a pastor named Roba came to him and expressed serious doubts that existing churches could make this kind of change. Agali did not argue but challenged Roba to start the process in his community. Roba took the challenge and went to his community in search of a person of peace. The community was predominantly a Muslim community where the men like to gather in the public square in the afternoons to drink tea and to socialize.

Roba went to the public square one afternoon. He greeted the men and offered to buy them tea telling them he had come to get to know them. He told them although he is a Christian and they are Muslims, they have been neighbors for a long time and as people who honor God maybe they should know each other better. The Muslims invited Roba to sit with them. As they were chatting

together, Roba got an opportunity to tell them a story from the Bible. He told them the story of Zacchaeus. The men were attentively listening to the story and when he reached the part of the story when Jesus said, "Today salvation has come to this house because this man too is a son of Abraham," his listeners became more attentive when the name of Abraham was mentioned. After finishing drinking tea, and as they were parting they invited the pastor to come again with more stories.

A few days later, Roba joined them again for tea. After the usual greetings and talking about current happenings in the community, Roba asked them if they remembered the story he had told them in his first visit. They told him they did. He asked them to repeat the story for him, which they did. After repeating the story, a lively discussion followed. One of them asked Roba if he believes that Jesus is God. Roba threw the question back to the men and asked them, "if Jesus in the story of Zacchaeus was able to give salvation to men, does this not show that Jesus could have divine attributes that are not found in men?" Some of the men responded in agreement by nodding their heads.

These meetings over tea became frequent and regular. In a natural progression of the relationships, many Discovery Bible Groups and churches were established among these Muslims, resulting in 32 small churches.

NEW WINESKIN FOR NEW WINE

When Pastor Kamau was invited to conduct a DMM training among a group of pastors from a particular district, he did not expect much to happen. They were skeptical because the people of the district were known as very nominal Christians and the existing churches had lots of strong church traditions that did not advance the gospel. Pastor Kamau saw little hope that the pastors of these churches would take up the challenge of Disciple Making Movements and apply them among their people.

But happily, Pastor Kamau was proved to be mistaken. Just four months after the DMM training, that region had seen 98 new Discovery Groups, four generations deep in some streams.

Pastor Ado shared that the DMM training which he took from Pastor Kamau changed his mindset. Ado reported that immediately after he took the DMM training, he replaced the Sunday preaching with Discovery Groups to see what would happen, if any of the people would report back about how they obeyed God.

He relayed that his members reported renewed joy in their relationship with God and with each other. Some

members reported being healed of sicknesses during the prayers of the Discovery Group.

Pastor Ado says the members of his church were also coached to start Discovery Groups in their homes and in their neighborhoods and 42 more groups were started in just a few months.

We see God using many people and groups, and we praise God for the network and collaboration of 24:14. We need to work together as the Body of Christ. We need to learn from others, as well as to share what we are learning.

PROGRESS ON PREVIOUSLY UNENGAGED PEOPLE GROUPS AS OF AUGUST 2020

Many mission organizations and churches have prioritized the sending of workers to previously Unengaged People Groups. The *Finishing The Task* Network reports the following since November, 2005:

- 3,158** Groups engaged by 5,159 teams
- 42,805** Fully-focused vocational workers sent by 416 engaging ministries
- 89,777** Bi-vocational and part-time workers
- 156,679** Churches planted
- 3,597,678** Reported believers

More workers are needed for these groups, and we praise God for His blessings thus far.

THE REMAINING UNENGAGED, UNREACHED PEOPLE GROUPS

As of this publication, workers have yet to begin engaging the following people groups with the Gospel. Please prayerfully consider collaborating together for the acceleration of the Great Commission.

37 ETHNOLINGUISTIC, UNENGAGED, UNREACHED **DEAF** PEOPLE GROUPS (SORTED BY COUNTRY; POPULATIONS OVER 500)

The heart of the Finishing The Task Coalition is to see that no people group be left behind—that everyone has the opportunity to hear about Jesus. Most of the approximately 70 million Deaf people around the world have never seen Jesus’s name signed in their language. Often ignored and oppressed, Deaf people groups are some of the least evangelized people on Earth¹.

The World Federation of the Deaf² estimates the global Deaf population at 70 million, around 1% of the world’s people and yet, according to DOOR International³, less than 2% know and follow Jesus. Survey work done through organizations like SIL International⁴ has uncovered at least 135 sign languages in the world and it is estimated that there may be over 350 sign languages.

The following is a list of Deaf people groups where there are no KNOWN workers reported at the time of this update.

How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them?

For the engagement of all the UUPGs on the FTT Engagement List within the next two years.

ABOUT FINISHING THE TASK

Finishing The Task unites and mobilizes the global body of Christ to courageously take up the mantle of catalyzing, multiplying and supporting church planting movements in every unreached people group and place, until everyone, everywhere has access to a Bible, Believers, and a Body of Christ.

HISTORY

During the 2000 Lausanne Conference in Amsterdam, a small group of mission leaders began a strategic relationship for the purpose of seeing every people group engaged with sustainable church planting initiatives. The group called themselves "Table 71" after the particular table number where they were gathered. In the fall of 2005, the partners felt led by the Holy Spirit to launch a broader strategy called Finishing The Task.
